

**THE RANDOM OPTIMIST SYNDICATE IS BACK FOR ANOTHER EXCITING YEAR**

After the success of previous years, we are continuing with our jolly 'Random Optimist Syndicate' for the 2018 point to point season. As always, the aim of the syndicate is to have fun as a point-to-point owner without the risk of any capital loss.

There are three horses in this year's syndicate and we aim to have at least one horse running every weekend throughout the season so there is plenty of opportunity for members to have a day out as an owner, cheer on their horses and enjoy a picnic, win or lose! Members also more than welcome to come and watch the horses on the gallops and schooling at Brightling Park.

We'd be delighted if you could join this fun, friendly syndicate for the year and enjoy some sport with us. If you or anyone you know would like to join, or would like some more information, please do not hesitate to get in touch with us. The cost is £500 per person, all inclusive, to cover costs, for the season ending 31st May 2018.
